Edelweiss Chalet Country Club is continuing its Thursday night league starting April 19th. Details for the league are listed below. If you have questions or concerns about anything please don't hesitate to call us.

There will be a league meeting on April 5th at 6pm to discuss the league.

Format:

This league will have 2 people per team. Teams will play match play against each other consisting of two separate individual matches where the two higher average players compete against each other and the two lower average players compete against each other.

Dates:

- 19 weeks starting on April 19th

Divisions:

There will be two divisions for the 2012 season. Division 1 will consist of any two people that would like to play together whether it is 2 men, 2 women, or 1 man and 1 woman. Division 2 teams will be exclusively 2 man teams and will be split into the Stricker Bracket and Kelly Bracket. At the end of the year the winner of Division 1 will play the winner of Division 2 for the overall Championship.

Times:

- Division 1 tee times will be from 4:02 until 4:34.
- Division 2 tee times will be from 4:42 until 5:38

Fees:

- **Non-members:** \$315.63 and can be paid all at once or in three installments.
 - The first installment of \$123.62 is due before league play on April 19th
 - The second installment of \$103.39 is due .
 - The third installment of \$88.62 is due July 7th.
 - This fee covers 19 weeks of greens fees and \$35 for prize fees.
- **Members:** \$35 and will go toward prizes.
- The \$35 of prize fees will be paid back 100% to the league players and goes towards the mid-season fun night, the payout to the champions of the league, and the end of the year fun night.
- Cost for a golf cart will be \$8 per night.

Rain Outs:

- If the last team to tee off does not finish 6 holes then a rain out will be called.

- All points accumulated for the night by any teams that finished will be erased.

Averages:

- Your league average will be calculated by averaging your last 4 league scores.
- Players without an average will establish an average their first night.

Points:

- There will be a total of 10 points available each night per individual match, 20 points available per team.
- Matches will be a combination of match play and stroke play.
 - In match play each hole counts as one point for a total of 9 points. A tied hole would be half a point to each player.
- The match play will be played at 80% of the stroke differential.
 - Ex. Player A has a 40 average and Player B has a 50 average. The difference between the averages is 10 strokes. 80% of 10 equal 8 so Player B would receive 8 strokes in the match on the 8 hardest handicap holes.
- The remaining 1 point will be stroke play.
- The stroke play will be 100% of handicap differential.

Rulings:

- If there is a dispute on a rule during league play then the person involved should play two balls from the spot in question and record both scores.
- The two team members involved should come and see the golf professional on duty.
- All rulings made by the golf professional will be final.

Special Rules:

1. Summer rules will be in effect except you may move your ball up to 12" inch in your own fairway. Breach of penalty is 2 strokes in the stroke play match and loss of hole in the match play match.

2. You are allowed to search for a lost ball for no more than 5 minutes. After 5 minutes you must go back to the last place you played your shot and re-hit under penalty of one stroke.

No-Shows:

- If one or more players do not show up and do not get a sub then the player that did show up will get 7 points if they play and 5 points if they choose not to play. No rain check will be given to a player that chooses not to play.
- If you do not show up to play on a scheduled league night and do not get a sub then your league fees for the night will be forfeited and you will get no reimbursement.

Subs:

- If you can not play on a particular night then you are responsible for getting a sub to play for you.
- If you can not find a sub you can call the golf shop and we may be able to find you a sub for you but it is not our responsibility.

- Anyone can sub in the league. If they do not have a handicap then they will establish their handicap that night. Subs are allowed to win prizes.
- **Members subbing for non-members:** When a member subs for a non-member than the non-member will be issued a rain check for that night.
- **Non-members subbing for members:** When a non-member subs for a member than the sub will be required to pay the league fees of \$14 to walk or \$22 to ride on that night.
- **Non-members subbing for non-members:** When a non-member subs for another non-member the sub will use one of the league members paid weeks and will not have to pay the league fee but they will have to pay the cart fee if they choose to ride. **IF YOU DO NOT WANT YOUR SUB TO USE ONE OF YOUR PAID WEEKS THEN YOU MUST TELL THEM TO PAY FOR THEIR GREENS FEES WHEN THEY CHECK INTO THE GOLF SHOP.**

I would like to invite all league players to get an official WSGA handicap which will allow you to play in some of the events that we have at Edelweiss. The fee is \$25 and it only takes 5-18 hole score to establish a handicap.
