### **Wednesday Night League Information**

Edelweiss Chalet Country Club would like to welcome all returning and new members of the Wednesday Night Golf League. We want to make sure that you, the league player, remain happy with Edelweiss and the services we provide. If you have questions or concerns about anything that is written below please don't hesitate to call me. Here are some of the details about the league:

**There will be a league meeting on April 18<sup>th</sup> at 7pm at Edelweiss Chalet Country Club to discuss any changes that the league would like to make.**

#### **Dates:**

- 17 weeks starting on May 2<sup>nd</sup>
- Steak Night Dates – May 16<sup>th</sup>, June 20<sup>th</sup>, July 18<sup>th</sup>, August 22<sup>nd</sup>
- Last night of league will be August 29<sup>th</sup>

**Tee Times will be 4:30 until 5:22**

#### **Fees:**

- **Non-members:** \$276.09 and can be paid all at once or in three installments. This fee covers 17 weeks of greens fees, \$20 for prize fees, and \$5 for the last night of the league tournament.
  - The first installment of \$98.85 is due before league play on May 2<sup>nd</sup>.
  - The second payment of \$88.62 is due May 25<sup>th</sup> and the third payment of \$88.62 is due on July 6<sup>th</sup>.
- **Members:** \$25 and will go toward prizes.
  - The \$25 of prize fees will be paid back 100% to the league players and goes towards weekly prizes and a payout to the champions of the league.
- The golf shop will not charge subs for greens fees for the night that they sub but they will have to pay for the cart if they ride. The subs greens fee will be taken off your account. **IF YOU DO NOT WANT THE SUBS ROUND TO GO ON YOUR ACCOUNT YOU MUST TELL THEM TO PAY WHEN THEY CHECK INTO THE GOLF SHOP.** Any paid weeks in your account at the end of the year will be paid back to you in rain checks.
- If you do not show up to play on a scheduled league night then your league fees for the night will be forfeited and you will get no reimbursement.
- Cost for a golf cart will be \$8 (plus tax) per night.

#### **Championship:**

- The champions of the first half of league will play the champions of the second half of league on August 29<sup>th</sup> for the overall championship.

- Payout (based on 10 teams) will be \$300 for the overall champions and \$100 to second place.
- All prizes will be paid out in Edelweiss gift certificates or Edelweiss credit.

### **Rain Outs:**

- If the last team to tee off does not finish 6 holes then a rain out will be called.
- All points accumulated for the night by any teams that finished will be erased.
- Weekly prizes will not be awarded
- Either a make-up round will be scheduled or a 9 hole rain check will be issued to non-members who did not complete all 9 holes.

### **Averages:**

- Your league average will be calculated by averaging your last 4 league scores.
- Players without an average will establish an average their first night.

### **Points:**

- There will be a total of 11 points available each night per individual match, 44 points available per team.
- Matches will be a combination of match play and stroke play.
  - In match play each hole counts as one point for a total of 9 points. A tied hole would be half a point to each player.
- The match play will be played at 80% of the stroke differential.
  - Ex. Player A has a 40 average and Player B has a 50 average. The difference between the averages is 10 strokes. 80% of 10 equal 8 so Player B would receive 8 strokes in the match on the 8 hardest handicap holes. The remaining 2 points will be stroke play.
- The stroke play will be 100% of handicap differential.

### **Rulings:**

- If there is a dispute on a rule during league play then the person involved should play two balls from the spot in question and record both scores.
- The two team members involved should come and see the golf professional on duty.
- All rulings made by the golf professional will be final.

### **Special Rules:**

**1. Summer** rules will be in effect except you may move your ball up to 12" inch in your own fairway. Breach of penalty is 2 strokes in the stroke play match and loss of hole in the match play match.

**2.** You are allowed to search for a lost ball for no more than 5 minutes. If you can not find the ball in that time you may drop from that spot and continue play under penalty of one stroke.

### **No-Shows:**

- If one or more players do not show up and do not get a sub then the player that did show up will play against his opponent's average plus 20%.
  - Ex. The player that does not show up has an average of 40. 40 times 20% equals 48. 48 is 12 over par so on the scorecard the no-show would score 6 bogeys and 3 double bogeys.
- The player that shows up will automatically win the 2 stroke play points.
- If you do not show up to play on a scheduled league night and do not get a sub then your league fees for the night will be forfeited and you will get no reimbursement.

### **Subs:**

- If you can not play on a particular night then you are responsible for getting a sub to play for you.
- If you can not find a sub you can call the golf shop and we may be able to find you a sub for you but it is not our responsibility.
- Anyone can sub in the league. If they do not have a handicap then they will establish their handicap that night. Subs are allowed to win flag prizes.
- **Members subbing for non-members:** When a member subs for a non-member than the non-member will be issued a rain check for that night.
- **Non-members subbing for members:** When a non-member subs for a member than the sub will be required to pay the league fees of \$14 to walk or \$22 to ride on that night.
- **Non-members subbing for non-members:** When a non-member subs for another non-member the sub will use one of the league members paid weeks and will not have to pay the league fee but they will have to pay the cart fee if they choose to ride.

**Steak Night:**

- We have four steak nights planned. Dates listed above.
- Cost for the steak nights will be \$12 per person
